Litigation involving trucking and bus companies seems straightforward. Unfortunately, nothing could be further from the truth when it comes to trucking tort cases. During this live audio conference, you will hear how to negotiate the waters and learn how the myriad of confusing federal and state regulations could torpedo your otherwise straightforward common law case. Hear from the former top United States D.O.T. trucking lawyer and learn how to utilize federal and state information to help bolster your case. You will also hear from a veteran trial lawyer and learn how to prepare your case from start to finish. This live audio conference will provide information regarding new cases and regulations, and how they may affect your clients. This is one program you will not want to miss. Whether you are a veteran of many commercial motor carrier cases or new to the industry, you will learn how to piece your case together from discovery to verdict.
